

HYPE TEAM

Point Person: Carson Clark

DESCRIPTION

Community Camp hype team is responsible for interacting with students prior to morning and evening services for Community Camp, ultimately creating excitement and expectancy within the students.

ROLE RESPONSIBILITIES

- Interact with students outside the auditorium doors five minutes before doors open for morning and evening services.
- Talk with students about how their camp experience has been going, what they're most excited for within service, their favorite worship song that's been sung thus far, etc - produce excitement through conversation.
- When doors open, hype the students up as they enter.
- For evening service, point students towards the photobooth and beach balls.
- When the three minute service countdown is displayed, ensure the beach balls are collected, and assist the creative team with moving students away from the photobooth and up to the front of the auditorium.
