

## COMMUNITY CAMP SITE REQUIREMENTS TEAM

*Point Person: Carson Clark*

### DESCRIPTION

The Community Camp site requirements team is composed of two different positions that will both play a significant role in ensuring the auditorium space is prepared for morning and evening services.

### ROLE RESPONSIBILITIES

#### **Set Up Team**

- The Community Camp set up team will straighten the chairs, pick up loose trash, and tend to the neatness of the auditorium space fifteen minutes before the doors open for morning and evening services each day.

#### **Site Coordinator**

- The Community Camp site coordinator will provide support to all teams contributing to the service experience. If any team needs assistance, the site coordinator will aid them. For complex matters, the site coordinator will seek out the Next Gen Director.
- Once worship concludes and the service hosts begin to lead into the message portion of the service, the site coordinator will get the preaching stand and a water, and place them on the stage behind the service hosts.
