CENTIPEDE & SPIDER WEB

STAGE 1:

The Spider Web Challenge

OBJECTIVE: A rope “spider web” is suspended between two supports (trees). The team must get every member through different openings without touching the web, and each opening can be used only once. Completing this stage unlocks access to the next task.

GAME SUMMARY & RULES:

- 1.No touching the web with body parts or clothing.
- 2.Each opening may be used one time only.
- 3.If someone touches the web, the person who touched the web must return to the start and attempt again.
- 4.Teammates may pass, support, guide, or lift each other through the web.

HOW WINNING IS DETERMINED:

Whatever team completes the spider web challenge then makes it to centipede and completes it first wins.

STAGE 2 :

Centipede

OBJECTIVE: Teams must complete the first challenge— Spider Web then go to Centipede. Each team will have three groups of four people who will take turns using a set of Buddy Walkers to complete the course. When the first set of players completes the course, they give the Buddy Walkers to the second set of players who immediately take off.

GAME SUMMARY & RULES:

1. Get part of your team onto the buddy walkers.
2. Each player must place one foot on each board and hold one handle on each board.
3. Once everyone is set, the team must start walking together at the same time.
4. Work as a team to move the boards forward.
5. All groups from each team must successfully walk from the starting line to the finish line. Teams will be awarded places based on their final order of finish.
6. The first team to reach the other side wins.

PIPELINE PANIC

GAME SUMMARY & RULES :

1. Players must work together to move water from a starting bucket to a finishing bucket using PVC pipes cut in half.
2. Each player holds a half-pipe as their tool to transfer the water along a line.
3. Each player must hold and use their half-pipe only.
4. Players must line up in order so water can be passed smoothly from one pipe to the next.
5. Pipes must be connected so water flows from one to the other without gaps.
6. The first player scoops water with a plastic cup from the starting bucket and begins the transfer.
7. Players carefully pour the water from their pipe to the next player's pipe.
8. Any spilled water remains spilled, teams must continue with what is left.
9. The game ends when one team successfully fills their final 1 gallon bucket.
10. The first team to fill their bucket wins the stage.

ADDITIONAL NOTES:

1. 6-7th graders will use the PVC pipes with holes and they will not have to move to transport the water. The buckets will be close enough together to where they can stand stationary and just pour the water and get it into the bucket.
2. All other grades will use PVC pipes without holes but the buckets will be farther apart making it more difficult and they have to work together as a team to get it all the way to the end.

HOW WINNING IS DETERMINED:

The team that fills their final bucket first or has the most amount of water by the end of the time is the winner.

OBJECTIVE:

The goal of the game is for your team to successfully move water from the starting bucket to your team's final bucket as quickly as possible, using only the half-pipes to transport the water down the line.

CAMPWIDE CHAOS - ALL PLAY

OBJECTIVE:

Finish all the riddles and make it back to the beginning of the scavenger hunt before other teams.

GAME SUMMARY & RULES:

1. ALL TEAMS PLAYING TEAM BUILDING SPORTS COME TOGETHER AT THE END OF GAMES.
2. ALL TEAMS START TOGETHER IN THE MIDDLE OF THE PLAY AREA. EACH TEAM RECEIVES THEIR FIRST RIDDLE, WHICH LEADS THEM TO THE FIRST STATION. AT EACH STATION THEY WILL BE GRABBING AN ITEM, SUCH AS A BANDANA, BEADED NECKLACE, ETC... THERE ARE NO ASSIGNED COLORS, EACH TEAM JUST USES THE HONOR SYSTEM TO NOT MOVE OTHER ITEMS, TAKE MORE THAN ONE, ETC...
3. ALL TEAMS BEGIN AT DIFFERENT RIDDLE STATIONS.
4. TEAMS MUST SOLVE THE RIDDLE TO FIND THEIR NEXT STATION.
5. AT EACH STATION, TEAMS MUST COLLECT THE REQUIRED ITEM BEFORE MOVING ON.
6. TEAMS WILL THEN FIND A NEW RIDDLE OR CHALLENGE LEADING TO THE NEXT LOCATION.
7. NO RUNNING THROUGH RESTRICTED AREAS OR INTERFERING WITH OTHER TEAMS.
8. ONCE A TEAM HAS ALL OF THEIR ITEMS COLLECTED AND MAKES IT BACK TO THE BEGINNING OF THE SCAVENGER HUNT FIRST WINS.

INSTRUCTIONS:

- COLLECT A GOLD COIN AT THE FLAGPOLE
- COLLECT A BEADED NECKLACE AT THE DINING HALL
- COLLECT A RUBBER DUCK AT THE LAKE
- COLLECT A GEM AT THE CAMPFIRE PIT
- COLLECT A RUBBER BRACELET AT THE SLIP & SLIDE
- COLLECT A BANDANA AT THE BASKETBALL COURT
- COLLECT A FOAM BALL AT THE GAGA BALL

HOW WINNING IS DETERMINED:

WHAT TEAM FINISHES THE SCAVENGER HUNT AND GETS TO THE STARTING POINT FIRST WINS.

RIDDLES

6-7th Grade:

- Riddle 1 - “I stand tall and straight, reaching high. Find the place where colors touch the sky.”
Answer: Flagpole - Gold Coin
- Riddle 2 - “Plates and trays, laughter and noise— Find where we fuel hungry girls and boys.”
Answer: Dining Hall– Beaded Necklace
- Riddle 3 - “I sparkle in the sun and wave hello. Find where the boats drift nice and slow.”
Answer: Lake– Rubber Duck
- Riddle 4 - “I crackle, glow, and light up the night. Find the place of warmth and stories bright.”
Answer: Campfire Pit – Gem
- Riddle 5 - “Down you go in a watery race, Find the hill where speed takes place.”
Answer: Slip & Slide- Rubber Bracelet
- Riddle 6 - I’m a place with lines on the ground,
Where a round ball is bounced all around. You run, you pass, you shoot to score— Two hoops stand waiting, nothing more. What am I?
Answer: Basketball Court - Bandana
- Riddle 7- I’m a place where you jump and dodge a flying ball, With wooden walls that aren’t very tall. No bats or gloves, just hands and quick feet— Find me where players compete!
Answer: Gaga Ball - Foam Ball

RIDDLES

8 - 9th Grade:

- Riddle 1 - "I rise with no heartbeat, and wave without hands.
Seek the tower where our banner stands."
Answer: Flagpole - Gold Coin
- Riddle 2 - Where crowds line up like royalty,
Awaiting meals with loyalty. Find the hall that ends your hunger."
Answer: Dining Hall -Beaded Necklace
- Riddle 3 - "My skin shimmers in daylight,
I whisper when the breeze is light.
Find me where paddles unite."
Answer: Lake -Rubber Duck
- Riddle 4 - "I eat without chewing, Glow without bulbs, And gather
crowds in circles. Find me."
Answer: Campfire Pit - Gem
- Riddle 5 - "A river you can run on, A hill you can race down,
Where laughter follows every fall. Seek the slope of soaked delight."
Answer: Slip & Slide - Rubber Bracelet
- Riddle 6 - "I'm marked with paths but not a road, Where teamwork
carries a heavy load. A ball obeys the rhythm of your feet, And
points are earned when aim and timing meet. I'm not the game, but
without me it won't start— Where am I, the place that plays its
part?"
Answer: Basketball Court- Bandana
- Riddle 7 - "No hoops to shoot and no goals to defend, But inside my
walls, the fun won't end. A game of speed where you slap, not
throw,Find the pit where fast reactions steal the show..
Answer: Gaga Pit- Foam Ball

10-12th Grade:

- Riddle 3 - "A restless mirror, broken by touch. A traveler's road with no land beneath. Seek the boundary where water begins and footsteps end."
Answer: Lake -Rubber Duck
- Riddle 4 - "I sing in crackles, dance in sparks, And paint faces orange in the dark. I consume the old to give warmth anew— Find my stone-ringed birthplace."
~ Answer: Campfire Pit - Gem
- Riddle 5 - "A torrent without a river, A descent without fear, A path where gravity performs and laughter answers. Find the hill of fleeting flight."
~ Answer: Slip & Slide - Rubber Bracelet
- Riddle 6 - I'm measured in lines yet crossed in motion, A silent partner to strategy and devotion. I witness victory, defeat, and trust, Where five become one or plans combust. I hold the rules without making a sound— What space am I, where the game is bound?
~ Answer: Basketball Court- Bandana
- Riddle 7 - Enclosed but open, I hold the chase, Where striking low keeps you in the race. No winners crowned by height or aim, But by the last to fall in this rapid game. Seek the arena with walls waist-high — Where the ball stays low and players fly.
~ Answer: Gaga Pit- Foam Ball

SLIP & SLIDE KICKBALL

OBJECTIVE:

Score by kicking the ball and sliding around all the bases before returning to home plate.

GAME SUMMARY & RULES:

1. Kickball diamond will be set up with a slip-and-slide tarp for each run and kiddie pools at each base.
2. Home plate: Kicking area
3. 1st, 2nd, and 3rd base: Kiddie Pools
4. The pitcher rolls the ball toward home plate.
5. The kicker kicks the ball into the field and runs the bases, sliding
6. onto each one.
7. Runners must land in a kiddie pool aka base, they can also slide through the pool if they're running fast.
8. Fielders retrieve the ball and try to throw it to a base before the
9. runner arrives.
10. A kicker is out if:
 - A fielder catches the ball in the air.
 - The ball reaches a base before the runner.
 - The runner is tagged or hit with the ball.
 - Each team gets three outs per inning.
11. Only one runner per base.
12. Continuously spray each tarp between runs.
13. After three outs, teams switch roles (kickers become fielders and vice versa).
14. Continue for however many innings there is time for.

HOW WINNING IS DETERMINED:

The team with the most runs after the final inning wins.

PUZZLE POUR

OBJECTIVE:

Fill a 5 gallon bucket with water and complete the brain puzzle.

GAME SUMMARY & RULES:

1. Assign each team a "lane"
2. Order the team in line, in their lane, behind their bucket full of water.
3. Whenever the referee blows their whistle, the person at the front of the line will dip their cup in the trash can of water.
4. The students will then pass water over their head to the person behind them. With the goal being to get the most water in the next person's cup.
5. The person at the end of the row will be dumping their cup of water into a smaller 1 gallon bucket with holes in it over their own head.
6. The team leader will tell the moderator if they think their team's bucket is full and the moderator will let the team move onto the puzzle or not.
7. Once the 1 gallon bucket is full and the moderator confirms it is full, the whole team will stand up and move to the next station.
8. Once all the team has arrived at the next station, the students will then try to solve the block puzzle.
9. Teams want to build the blocks upward and ensure no side of the block repeats colors.
10. Whatever team finishes the puzzle first sits down, then wins.

HOW WINNING IS DETERMINED:

Winning this game is determined on who gets their bucket filled and completes the brain puzzle first.

TUG BOAT

OBJECTIVE:

Students pull their teammates in a sled to transfer water from one end of the course to the other in order to fill up a 5-gallon bucket.

GAME SUMMARY & RULES:

1. Assign a playing area to each team
2. Instruct players to divide into 3 groups on each Team:
 - a. Pullers (3+ players), Riders (2 players), Fillers (2 players)
3. The Pullers and Riders start on the Finish Line side of the Field (by the 5-gallon bucket) and the Fillers start on the starting line (by trash can).
4. On the referee's signal, rider #1 runs to the starting line with their 1 gallon bucket on their head and sits in the sled. The fillers dump water using 1 gallon buckets and water from trash can into rider #1's bucket on their head.
5. The Pullers then grab the rope and pull the rider, seated in the sled with the bucket on their head, across the field to the finish line.
6. Rider #1 gets out of the sled and dumps water from their 1 gallon bucket into a 5-Gallon bucket (Note: as soon as he gets out, the fillers may pull the sled back using the 2nd rope).
7. Rider #1 passes their bucket to the next rider and the process repeats. The rider runs to the starting line and sits in the sled, the fillers fill the bucket and the pullers pull them to the finish line.
8. Play continues until each team fills its 5-gallon bucket or until time is called.

HOW WINNING IS DETERMINED:

Whatever team fills their bucket to the top first and the moderator determines it is completely full wins. Placing is based on the order of finishing (or by the volume of water in the buckets when the time expires).

NOTES:

- Riders should be the smallest students and pullers should be the strongest
- When a team's water level meets or exceeds the line in the 2 gallon bucket notify a referee
- If the referee rules that a team has filled its bucket, then the team must be seated to win.

BEACH BALL BASH -

ALL PLAY

OBJECTIVE:

To collect the most amount of beach balls for your team before time is up.

GAME SUMMARY & RULES:

1. All teams playing water games come together at the end of games.
2. One person from each team (one boy and girl from each team is chosen for one girl round and one boy round) starts on a square tarp that is covered in water, dish soap and bubbles.
3. Each person then gets a blindfold.
4. Everyone then has 60 seconds (or until there are no beach balls left) to try and collect and throw out of the arena as many beach balls as possible
5. There should be no physical violence, i.e. pushing, kicking, slide tackling.
6. No leaving the arena.

HOW WINNING IS DETERMINED:

Whichever team has the most beach balls collected at the end of the round.

TUG OF WAR

OBJECTIVE:

Work as a team to pull the opposing team across a designated center line using strength, coordination, and strategy.

GAME SUMMARY & RULES:

Two teams stand on opposite ends of a rope, each holding tightly. A marker is placed at the center of the rope and lined up with a middle line on the ground. When the game begins, both teams pull in opposite directions, trying to drag the other team across the line. Play 1 round of each variation of game such as Last Person Drag, All-In Pull, and Normal.

Basic rules:

- Teams must stay on their side at the start.
- Players must hold onto the rope at all times.
- No sitting down or wrapping the rope around body parts (depending on safety rules).
- The game starts on a signal (like “Go!”).

Additional Variations:

- Last Person Drag: The goal is to pull the last person on the opposing team across the center line.
- All-In Pull: One player starts pulling, and each time someone says “1,” another teammate joins in to help pull.

HOW WINNING IS DETERMINED:

A team wins when they successfully pull the opposing team far enough that either:

- Get The center marker across their side of the line
- (In Last Person Drag) the last player on the opposing team is pulled across the middle line.

ULTIMATE FRISBEE

OBJECTIVE:

To score points by catching the frisbee in the opposing team's end zone.

GAME SUMMARY & RULES:

1. Mark a rectangular field with two end zones at opposite ends.
2. Teams line up at their respective end zones.
3. One team throws the frisbee to the other team to start the game.
4. Players cannot run while holding the frisbee.
5. Players can pivot while holding the frisbee.
6. Players cannot knock the frisbee out of other players hands.
7. The frisbee can be passed in any direction.
8. The player holding the disc has 10 seconds to throw it.
9. A turnover occurs and possession switches to the other team if:
 - The frisbee hits the ground.
 - The frisbee goes out of bounds.
 - The frisbee is intercepted or knocked down by the opposing team.
 - The thrower doesn't release the disc within 10 seconds.
10. A point is scored when a player catches the frisbee in the opposing team's end zone.
11. After each score, teams switch ends and the scoring team makes the next "pull."
12. Only one defender may mark the player with the frisbee at a time.
13. No physical contact — Ultimate Frisbee is a non-contact sport.
14. Players self-referee and are responsible for calling their own fouls.
15. Emphasis is on sportsmanship, fairness, and respect.

HOW WINNING IS DETERMINED:

The team with the most points when time runs out — or the first team to reach the agreed-upon point goal wins the game.

CAPTURE THE SPLASH

OBJECTIVE:

Capture the opposing team's flag and bring it safely back to your own side without getting hit by a water balloon.

GAME SUMMARY & RULES:

1. Each team has a home base and a flag (bandana).
2. Mark a center line dividing the two territories.
3. Each team hides their flag somewhere within their half of the field. They can also hide it on a person.
4. Place a "jail" area on each side for captured players.
5. Each team gets a set number of water balloons to use as defense ammo.
6. Players can throw balloons only while standing on their own side.
7. Players cross into enemy territory to find and steal the flag.
8. If a player is hit by a water balloon while on the opposing side, they must go to jail.
9. Teammates can free jailed players by tagging them — but must get back safely to their own side afterward.
10. Only one flag can be held at a time.
11. If the flag carrier is hit by a balloon, they drop the flag immediately where they were hit. The flag stays in the dropped spot and can be picked up by any player.
12. Stay within the marked play area.
13. USE BALLOONS WISELY!

HOW WINNING IS DETERMINED:

The first team to successfully capture the opposing team's flag and return it to their home base without getting hit wins the round.

DODGEBALL - ALL PLAY

OBJECTIVE:

Be the last player standing in a game of dodgeball.

GAME SUMMARY & RULES:

- All teams playing real/extreme sports come together at the end of games.
- All the teams stand in a circle and one player from each team goes in the middle to play (one girl, boy, and coach round are played). One girl from each team plays a round, one boy from each team plays a round, then each team's coach plays a round.
- One ball is thrown in the middle of the circle by the moderator and the round begins.
- No hiding in the crowd! If a player hides in the crowd they are immediately eliminated.
- The last 3 players get points based on what place they get.

HOW WINNING IS DETERMINED:

The last player standing wins 1st. The player they got out gets 2nd and so on.
